

Decorá Spec Guide

READ THE FOLLOWING GUIDE PAGES FOR NEW PRODUCT, REVISIONS, AND DELETIONS

NEW Cabinet Hinge as Standard - COMING SOON

Integrated Blumotion Soft-Closing hinge as Decorá's standard hinge for Full Overlay Door Styles

NEW Finish Additions

Cinnabar: Available on Alder, Cherry, Maple, & Rustic Alder (see pages F•1 through F•4 and F•10)

Sweet Pea: Available on Maple and MDF

Available with Coffee and Espresso glazes on Maple only (see pages F•2 and F•10)

NEW Custom Opaque Color Match Program

Decorá will color match any of your favorite color items or any color swatch.

Available on Maple, MDF, & Oak. (see page F•13 for program details)

NEW Complimentary Color Palette Program

This new program offers six of the latest fashionable colors: Almond, Daffodil, Indigo, Orchid, Stone, and Tranquil.

Available on Maple or MDF. (see pages F•5, F•11 and F•12)

NEW Finish Techniques

Decorá is expanding the Reserve and Vintage techniques by adding "Reserve Plus" and "Vintage Plus."

Reserve Plus - A more aggressive, random appearance of rasped corners and edges, worm holes, mars, splits, gouges, small dings and dents for a true authentic look. (see page F•14)

Vintage Plus - An aggressively burnished sand through technique applied to corners and raised profiles, exposing the underlying wood of all species and colors. (see page F•14)

NEW Door Style Additions

Decorá is adding two new full overlay door styles.

Airedale is a full overlay faux inset mitered door with wide rail shaker design and solid reversed raised panel door.

Available in Alder, Cherry, Maple, Oak, & Rustic Alder (see page F•20)

Willshire is a full overlay mitered door with wide rail and solid double raised panel door.

Available in Cherry & Maple (see page F•34)

How to Use Decorá Product Codes

Prefix letters:

Prefix letters are abbreviations for the type of cabinet or other unit being described. For example, **B** designates a **Base** cabinet (such as a **B12**) and **W** designates a **Wall** cabinet (as in a **W1230**).

Product code numbers:

Numbers in a product code describe cabinet dimensions in inches.

For wall, oven, and utility cabinets, the first two digits indicate width, while the last two digits indicate height. That is, a W1230 is 12" wide and 30" high.

For base and vanity cabinets, digits indicate width only. For instance, a B12 is a base cabinet that is 12" wide.

Suffix letters:

Suffix letters in a product code designate standard options. For example, a B15**BB** indicates a **Bread Board** option. See the Modifications section of this catalog for a complete list of Decorá option suffixes and their meanings.
