Cambridge

When ordering glass mullion doors, use Decorá's standard cabinet item number (W3030, W2430, DW2430, etc.) and then designate the corresponding option name (see below) in the description portion of the purchase order.

All glass mullion doors ordered will be of the same wood specie, finish, door style, hinge selection, and profile as the other cabinets specified on the original kitchen order unless instructed otherwise.

DMR standard interior—unless requested otherwise. Finished interior is an option.

Door is prepared for glass insert; dealer must supply glass. Designed to utilize one piece of glass per door—not separate panes. Clips for inserting glass included in installation package. Doors are pre-drilled for clips.

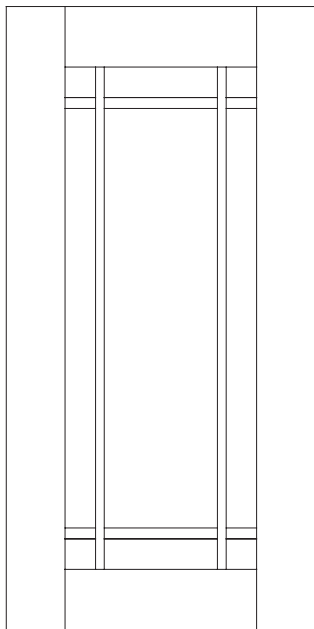

Not available on cabinets with bi-fold doors.

Finished Interior must be specified if desired.

Option Name	Cabinet Height	Number of Lites per Door
MD15	15"	4
MD18	18"	4
MD21	21"	4
MD24	24"	4
MD27	27"	4
MD30	30"	6
MD33	33"	6
MD36	36"	6
MD39	39"	8
MD42	42"	8
MD45	45"	8
MD48	48"	8

NOTE: Mullion doors are NOT available in cabinets less than 15" or more than 48" high or in cabinets less than 12" wide. Not available in Braydon Manor, Daladier, Davenport, Hawthorne, Huchenson, Leyden, Modesto, Savannah, Treyburn, Willshire, and Yardley door styles.

Prairie Mullion Doors Ordering Procedures

When ordering Prairie glass mullion doors, use Decorá's standard cabinet item number (W3030, W2430, DW2430, etc.) and then designate the corresponding option name (see below) in the description portion of the purchase order.

All glass mullion doors ordered will be of the same wood specie, finish, door style, hinge selection, and profile as the other cabinets specified on the original kitchen order unless instructed otherwise.

Door is prepared for glass insert; dealer must supply glass. Designed to utilize one piece of glass per door—not separate panes. Clips for inserting glass included in installation package. Doors are pre-drilled for clips.

Not available on cabinets with bi-fold doors.

Prairie mullion doors are NOT available in Roman arch door styles.

Not available in Braydon Manor, Daladier, Davenport, Hawthorne, Huchenson, Leyden, Modesto, Savannah, Treyburn, Willshire, and Yardley door styles.

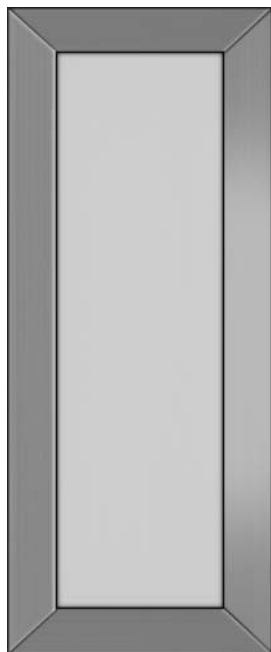

Finished Interior must be specified if desired.

DMR standard interior—unless requested otherwise. Finished interior is an option.

Option Name	Cabinet Height
PRMD18	18"
PRMD21	21"
PRMD24	24"
PRMD27	27"
PRMD30	30"
PRMD33	33"
PRMD36	36"
PRMD39	39"
PRMD42	42"
PRMD45	45"
PRMD48	48"

Prairie mullion doors are NOT available in cabinets less than 18" or more than 48" high or in cabinets 9" and 12" wide.

Aluminum Frame Doors (ALF) with Frost Glass

All aluminum doors will be full overlay with mitre construction.

Cabinet face frame will be matched to the finish specified.

Cabinet will have standard interior unless otherwise specified.

Frost glass is installed in door. Removal of glass will void warranty.

Available only on full overlay door styles.

Not available with Modified Full Overlay.

*Suggested for use with Square door styles

Decorative Textured Glass Doors

Antique

Clear glass with surface striations simulating the texture and appearance of popular mouthblown antique glass. Uniform thickness, color, texture, highly transparent.

Kaleidoscope Aluminum

Laminated clear glass with a decorative brushed aluminum interlayer.

Seeded

Clear textured 9/32" glass with "seeds," small air bubbles trapped in the glass at random. Transparent in appearance.

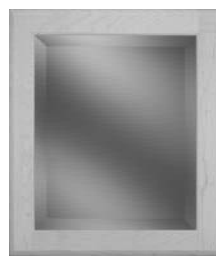

Beveled*

1/4" clear glass with a 1 1/4" bevel. Transparent in appearance.

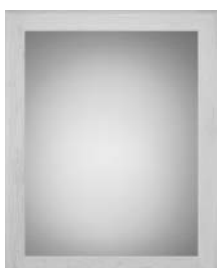

Metallic Bronze Fabric

Laminated clear glass with a metallic bronze fabric interlayer. Translucent in appearance.

Smoked Bevel

1/4" grey tinted tempered glass with a 1" beveled edge.

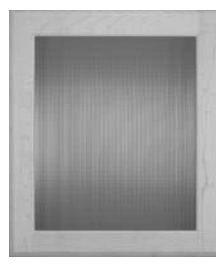

Clear

Clear glass.

Morisco

5/32" obscure tempered glass with a unique, raised, repetitive pattern.

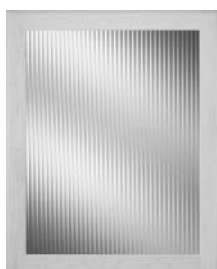

Thin Reeded

5/32" tempered glass with 1/8" vertical reeds—obscure in appearance.

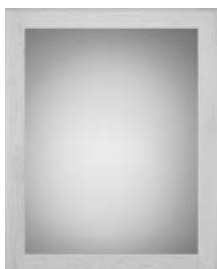

Diamond Lattice

Laminated clear glass with a diamond wire pattern interlayer. Transparent in appearance.

Reeded

Clear glass with 1/2" flutes or reeds. Transparent in appearance.

Frost

Clear glass with one surface "acid etched" to create a frosted appearance. Translucent in appearance.

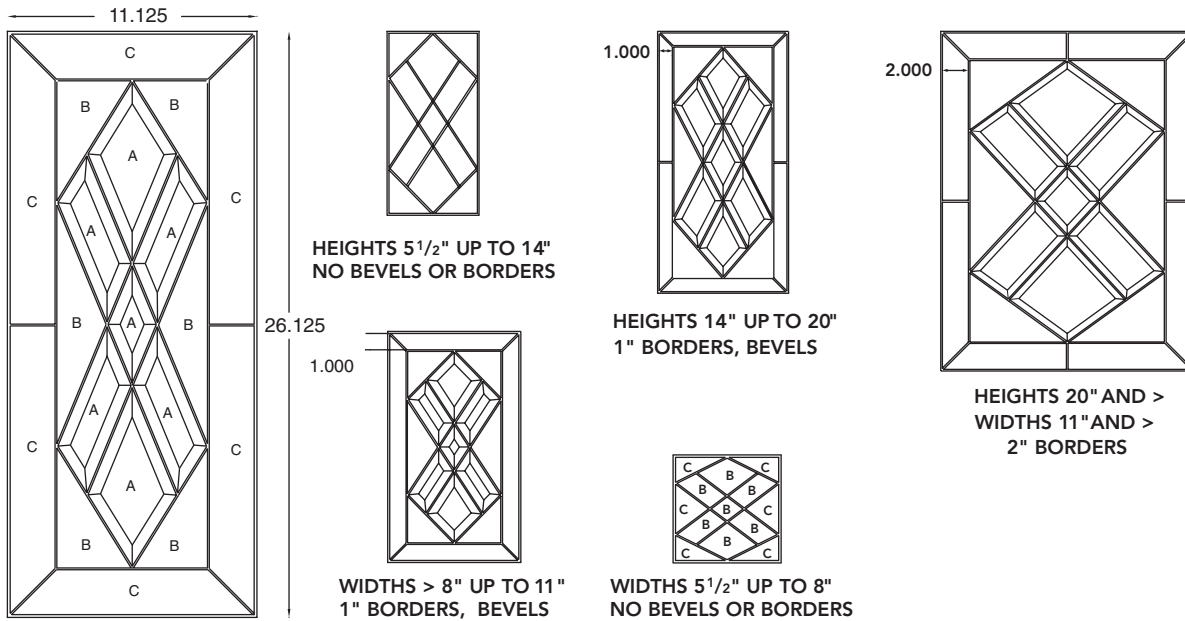

River Reed

5/32" obscure tempered glass with a random, vertical pattern resembling small twigs.

*Suggested for use with Square door styles. Not suggested for use with Yardley.
